

We are really sorry but, due to the current restrictions, the church building is closed. However, the Church itself is still active and we would love you to join us online.

Sunday services will be live streamed from St John's at 10.30am each Sunday, including material recorded at St Britius. This streaming will be via both Zoom and Facebook. You can also listen on the telephone if you haven't got internet access. The link to the Zoom meeting and the telephone numbers will be posted on the Facebook pages of **St John's Carterton** and **Friends of St Britius** as well as the St John's website: www.stjohnschurchcarterton.org.uk.

Once on the website go to **Worship**, then **Online services**, then click on the link. The service will also be recorded, to be watched later. It can be accessed via the Facebook pages and the website, which links easily and directly to YouTube.
